Administrator's Message

Good afternoon everyone,

If you have lost track of time, it is Friday again and we are still missing all of you. The days seem to blend into each other and we look forward to a time when we can all be together.

It has been great to hear how you have been connecting with your teachers. We hope you are achieving some successes in your new learning environment. This has been a time for all of us to learn together as we navigate through our new virtual/home learning experience.

Please know that if you need help or support we are here in the office everyday. Along with your classroom teacher, our Learning Support teacher, Librarian, PE teacher and Counselor are all available to continue the services they provide to our school community. Please reach out to them or call into the office and we can connect you with them.

The School District has arranged to provide food to those families that need it. If you need help in this way, please let us know at the beginning of each week. If you are fortunate enough to be able to donate to families in need you can donate on our school or district websites.

It's a great time to be planting your garden. Make a plan, draw it out, begin planting, water daily and watch it grow. Just think about all the meals you can make with all your fresh, home grown veggies. This is the time where you can get your hands dirty!

Have a great weekend!

Mrs. Relf and Mr. Galhon
