Staff and students are grateful to be in community together at Eagle View and we wish to recognize the Lekwungen territory of the Esquimalt and Songhees Nations, on whose traditional territories, we live, we learn and we do our work.

Administrator's Message

Dear Eagle View Families,

June is here once again! We are grateful to experience some community building events and gatherings to wrap up another school year. This is a reflective time of year for educators and students. It is a time to celebrate the successes and growth that has been made, along with the wonderful memories that have been shared as a class.

Every June, we say farewell to our grade 5 students as they conclude their elementary schooling and head off to middle school. We wish them all the best in their transitions and remind them of the foundational skills they have learned in the last 6 years with us as they embark on the next chapter of their educational journey. We are also bidding farewell to a few staff members. We congratulate Mrs. Kennell in her retirement after 39 years of educational work, 21 of which have been here at Eagle View. We wish her much adventure, relaxation and joy as she closes out a full career in education. We would like to thank Mr. Maida, Mr. Malm, Ms. Byrne, Mrs. Lamond and Mrs. McKinstry for their presence and dedication to the students and classrooms they have spent time with in term 3 and know they will be considering the many positions posted throughout our school district. Mr. Lopez has been a great addition to the Eagle View team this year and he will be missed next year. He has accepted positions at other schools for next year. Thank you for your hard work in keeping our school clean and safe for us to learn and work everyday.

In the Fall we will be welcoming Mrs. Beiermeister as our new Learning Support teacher. She comes to us with a wealth of teaching experience and we look forward to having her join our team. Please give her a warm welcome when you see a new face in September.

A big thank you to all of our staff for their continued commitment and dedication to Eagle View. It has been yet another trying year with many ups and downs and surprises along the way, and they have navigated it all and made it to the end of the school year with evidence of growth and learning for all. Together, they continue to uphold our school beliefs: Excellence, Academics & Arts, Global Awareness, Learning styles, Enthusiasm and Safety, which guides our students to be **EAGLES** (Life-long learners) for generations to come.

And a HUGE thank you to our wonderful Eagle View parents and families. We could not do what we do without your support. Thank you for sharing your precious children with us every day. We have seen tremendous resilience and flexibility this year and they continue to spread their wings and soar like eagles! Their learning journey continues to be unexpected and sometimes uncomfortable but they make us all very proud!

As we step into summer vacation mode soon, please accept our very best wishes for an adventurous, safe and fun July and August. We look forward to welcoming everyone back on September 6th.

Intentions for Next Year

The school office staff is in the process of keeping our student numbers current for staffing and planning purposes. If your families' plans have changed since we originally asked, please call the office with your update. This information includes students currently in grade 5. If you know of any new families who have moved into your neighbourhood with school aged children please let them know to register as soon as possible.

Library News

The library will begin its annual inventory this month. Please help your child by taking an extra look around their bedroom and home to find any overdue books and return them by June 7, 2022.

Thank you to everyone who donated books for the Eagle View Summer Book Exchange. Everyone had a chance to select a book this week to kick start their summer reading. Students will receive a summer reading challenge with their report cards that can be completed over the summer holidays and returned to our library the first week back in September for a chance to win a prize.
