- So far 35 kindergarten students are registered for next year.
- The school will be going from 13 to 12 divisions for the 2021-2022 school year.
- Our school's Code of Conduct is currently being reviewed and updated.
- Bike to Work Week is coming up soon with a program for the grade 4's and 5's.
- Jump Rope for Heart will be the week of April 19th-23rd.
- Ms. H is looking at doing a running club in lieu of spring cross country, which cannot happen this year due to COVID restrictions.
- The school is currently working on setting a new school goal around reading (specifically reading comprehension.) An *Everyday Reading Club* has already been launched to help students who need a bit more support with their reading skills.
- Student Led Conferences are coming up with early dismissals on April 28th and 29th.
- In May through June the grade 4's and 5's will be participating in the Young Entrepreneur Fair – parts will be virtual this year in order to comply with COVID restrictions.

Financial Report:

- Not much change since the last report.
- Spring Fundraising did very well: Purdy's brought in \$750 and Hilltop brought in approximately \$612.

Other Business

- Year End: We are brainstorming ideas for the grade 5 year end as well as some sort of Fun Day opportunity for the entire school. Both will have to be done with the current restrictions in mind.
