Introductions

- Participants are welcomed by Santana.

Principal's Report

- New staff: Christine Winchmann- EA; Ory- new nighttime custodian
- Christmas: The assembly committee will be putting something together virtually. Each class will be putting together some kind of presentation.
- For November Pro-D, the staff looked at the school goals. They are working in collaborative groups to explore new assessment tools and how to use them in purposeful ways. This includes assessment of reading, writing, and math.
- The extra federal funds for this year have been distributed. Purchases included but were not limited to: tech, outdoor ed. support, extra supplies so that students do not have to share and so that each cohort has enough supplies to support their need.

Financial Report:

- Same as last month except our gaming grant money has now been received.

Christmas:

- We are planning a socially-distanced cookies with Santa event for December 18th.
- A virtual holiday-themed event has also been suggested.
- PAC exec or a sub-committee will meet again to finalize our Christmas plans.

Fundraising

- Fundraising efforts are going well.
- Online Auction is set to go live soon.
- Fun Lunches: Are set to start up in January. **Please note that after the new restrictions were announced on November 19th, the PAC Exec. decided to amend this point. We will wait until January to discuss the possibility of introducing Fun Lunches in February.*

Other Business

- The PAC voted yes to fund half of the cost of a soap stone carving activity for the grade 4/5 classes. We will contribute \$801 out of the gaming grant towards this activity.
- The next PAC meeting will be in January.
- COVID Protocol: Bathroom procedures at the school were reviewed and discussed.

Meeting adjourned at 7:12.
