## Administrator's Message

Dear Eagle View Families,

It is so hard to believe that we are in December and there are only two weeks of school left! Where has time gone? As the snow indicates, winter has arrived. Please take care as it can be slippery out there. Our facilities department does their best to keep up with weather conditions, but sometimes the weather sneaks in so fast it can be hard to manage. Please be careful on the blacktop area at the back as it doesn't see the sun until later in the day.

As we head into the holiday season and bring term one to a close, we would like to thank the families of Eagle View for your continued support and we look forward to seeing you at the Winter Concert on December 15th. We also want to thank the dedicated staff of Eagle View who put their hearts into creating engaging learning opportunities, providing caring classrooms and playgrounds both outside and inside, and keeping the wheels on the bus going round and round! Together we are strong, so thank you all for everything YOU do!

Update on construction: We are looking forward to having the outside doors **arrive** before Christmas as they work towards finishing off the hallway to be safe enough for us to exit the building at that end. Electrical and plumbing is complete and they are getting ready to dry-wall and finish the insides. It is on track for a September opening which will bring new day-care spaces as well as before and after school care.

We have a few staffing updates to share at this time. We say goodbye to our EA, Ms. Maryam Zadehgholam, who has been a great addition to our team this Fall and we welcome back Lance Pickering, who completed his practicum with us last year. We have also welcomed Joanna Bordian, who is also an EA on staff.

On Friday, December 9th, report cards will be released. You will be able to view them through the "Parent Connect" portal, the same place you sign permission forms online. Also, Music, Strings, Learning Support and English Language Learner reports will come home in your child's backpack on the same day. We are not completely paper free, but we are moving towards that by the end of the year. If for some reason you are not able to access the report card, or you need a second copy of the inserts, please call the office. Our focus on reading and writing continues, working towards all students being at grade level by grade 3 and forward, and writing with detail to convey meaning. We hope you enjoy reading your child's report as much as we do.

Wishing you the very best this holiday season. Enjoy time with family and friends and be kind to one another.

Best wishes and we look forward to seeing all of you back in the New Year.

Jana and Jordana

## Winter Concerts

All classes will be performing in a Winter Concert on **Thursday, December 15**. We will have two opportunities for parents/families to see the performances. Our afternoon performance will be at 1:15 p.m. and the evening performance will be at 6:00 p.m. All classes will be performing at both performances. For the evening performance, the **front doors of the school will not open until 5:45 p.m.** To avoid disrupting the performance we request the audience stay for the entire performance. **Parking is allowed on Watkiss Way on the day and evening of the performances. Please do not park in staff parking spaces, bike lanes or fire lanes and do not block driveways.**

### Concert Ticket Procedure:

- Tickets will **not** be necessary for the afternoon performance. We encourage grandparents and other extended family members to try to come to this performance.
- Each family will receive **two** tickets for the evening performance. Families will not have to request tickets. We will send home the two tickets on Monday, December 12 with the youngest and/or only child in each family. There will **not** be an opportunity to request additional tickets. Due to Fire Marshal regulations we cannot exceed the seating capacity of our gym. Please ensure you have your tickets to ensure admission into the performance. Preschool children will require a ticket too.
- To ensure that many of our students' important family members can attend a performance it would be helpful if we could collectively use the following guide lines. If you are able to attend the afternoon performance, please use your evening tickets for another family member, or if you don't need the tickets, please turn them into the office. If your family will not be able to attend the performance as you will be out of town, please return your tickets.
- We will not be charging for admission to either performance, but as has been our tradition, we are asking for a donation of either non-perishable food items or cash for our local food bank. We will have the Eagle View Food Bank train set up in the foyer.

## Winter Weather - Important Information

It is a priority for the Greater Victoria School District to communicate effectively to parents, students and community partners during inclement weather. With cooler temperatures in our forecast, the District would like to remind families of its inclement weather protocol and where to find information about the determination of school closures.

The District assesses weather conditions on a daily basis and puts every effort into making a determination by 6:30 am. of whether or not schools will remain open. The status of schools and transportation is then provided to local media and communicated to our community.

### Inclement Weather Updates are provided through the following:

- School District website: [www.sd61.bc.ca](http://www.sd61.bc.ca)
- Local media outlets
- Social media channels
  - ◇ Twitter: [@sd61schools](https://twitter.com/sd61schools)
  - ◇ Facebook: [@sd61schools](https://www.facebook.com/GreaterVictoriaSchoolDistrict)
  - ◇ Instagram: [@sd61schools](https://www.instagram.com/sd61schools)

The District is regularly monitoring local weather conditions and Environment Canada's forecast, and will continue to do so over the weekend. Please stay connected with us for regular updates.

The Greater Victoria Region is broad and we understand that some areas may be more difficult to travel than others. It's always a parent's decision if you choose to keep your child home due to road conditions.

*In case of snow, please use the main entrance to the school. This entrance will be the first cleared to allow for safe entry to the school.*

### Pajama/Comfy Clothes Day

On Friday, December 16th we will be having Pajama/Comfy Clothes Day and students are encouraged to wear their pajamas, slippers or their favourite comfy clothes and have their favourite stuffed animal with them. Please ensure that they come to school with the appropriate outside wear - a coat and boots. As long as the weather allows it, students will go outside at the break times so they need to be dressed appropriately for the weather.

### Eagle View Food Bank Train

Chuga Chuga Choo Choo .....The train has pulled into the station. Our Eagle View food bank train can be found in the front foyer of the school. This year we will be requesting a different food item everyday. An email was sent home last week with the details. Any food items you wish to donate, needs to be in no later than Thursday, December 15th. All food items brought in will be sent to the West Shore Food Bank and distributed to families for the Christmas season. We appreciate your contributions to this worthy cause.

### Kindergarten Registration - September 2023

Planning is already underway for Kindergarten registration. Children turning 5 years old in the 2023 calendar year are eligible for Kindergarten in September 2023. Registration week is Monday, January 23 through Friday, January 27, 2023.

**Please read the following carefully for enrolment priorities as well as the documentation required to register.**

Families are asked to register online for their catchment area school during registration week. If you currently have a student at Eagle View and will be registering a Kindergarten student but are **not** living in the Eagle View catchment you must register online for your catchment school and apply for a transfer to Eagle View.

To register you will need your child's birth certificate, Canadian Passport or landed immigrant authorization. You will need to provide **two** of the following documents for proof of residency (driver's license and utility bills will no longer be accepted):

### Family Affordability Fund

The school has received funds from the government to assist families. As times are tough for many at the moment, this may be you. Please do not hesitate to reach out to Jana or Jordana as we are happy to assist the government in dispersing these funds. Some of the items the money can be used for are as follows:

- Food - gift card to grocery store, fun lunch
- Clothing - coat, boots, gym/indoor shoes, etc.
