### Administrator's Message

Dear Eagle View Families,

June is here once again and we started it off with a bang! Our PAC Country Fair was held last night and provided a wonderful opportunity for families to meet and chat while enjoying some games, challenges and hot dogs! It was wonderful to see the grounds full and filled with laughter and big smiles. A thank you to all who helped make this happen, your gift of giving to community is appreciated.

Another thank you to all who are participating in the "GoByBike" week. It is great to see the bike racks full. The hope is to carry it on next week where each class will do a "hands-up" survey each day to help us determine all the different ways we arrive at school. Less vehicles on the road is helpful in many ways so let's keep the trend going. We are also thankful to all our committed athletes who participated in our Zone and City Track meets this week. They all represented our school well and were brave to run on such a huge track. Way to go! This wouldn't have happened without our staff who organized and practiced with the students and the parent drivers who cheered and encouraged them throughout each event. We are grateful to experience these community building events and gatherings to wrap up another school year.

Every June, we say farewell to our grade 5 students as they conclude their elementary schooling and head off to middle school. We wish them all the best in their transitions and remind them of the foundational skills they have learned in the last 6 years with us as they embark on the next chapter of their educational journey. We are also bidding farewell to a few staff members. Our Vice-Principal, grade 1 teacher and PE teacher, Mrs. Beattie, is moving on to Mackenzie Elementary. We have been very fortunate to have her at Eagle View for 2 years, although it is our loss, it is a huge gain for her new school. We wish her all the best in this new adventure ahead. We would like to thank Ms. Johnston, Ms. Dong, Mrs. Harcos, Ms. Sims, Ms. Bordian, and Ms. Morris for being here this year and for their dedication and enthusiasm to the students they have spent time with this year. We all really appreciated the cultural assemblies that Ms. Johnston and Ms. Dong shared with us in term 2.

And a HUGE thank you to our wonderful Eagle View staff, parents and families. We could not do what we do without this wonderful team that makes up our fantastic school community. Thank you for showing up and contributing your skills and talents to make this the amazing school it is. As we step into summer vacation mode soon, please accept our very best wishes for an adventurous, safe and fun July and August. We look forward to welcoming everyone back on September 5th.

### Intentions for Next Year

The school office staff is in the process of keeping our student numbers current for staffing and planning purposes. If your families' plans have changed since we originally asked, please call the office with your update. This information includes students currently in grade 5. If you know of any new families who have moved into your neighbourhood with school aged children please let them know to register as soon as possible.

### Ready, Set, Roll Parent Survey

Please don't forget to do the Ready, Set, Roll parent survey. We have had great participation so far. If we have another 66 parents complete the survey we will win a bike or scooter rack. Please use the following link to complete the survey. [Ready Step Roll: Baseline School Commute Survey 2023 \[crd.bc.ca\]](https://www.crd.bc.ca/ready-step-roll)

### Library News

The library will begin its annual inventory this month. Please help your child by taking an extra look around their bedroom and home to find any overdue books and return them by June 8, 2023.

If anyone still has books they would like to donate for the Eagle View Summer Book Exchange please bring them in by Monday, June 5. We may not be able to do the exchange this year as we do not have enough books. Students will receive a summer reading challenge with their report cards that can be completed over the summer holidays and returned to our library the first week back in September for a chance to win a prize.
